

Christmas Prayer

Lord, in a season when every heart should be happy and light, many are struggling with the heaviness of life, the world needs Your joy and peace more than ever now. Give us the vision which can see Your love in the world and the faith to trust goodness in spite of hatred and weakness. Give us the knowledge that we may continue to pray with understanding in our hearts and show us what each one of us can do to set forth the coming of universal peace.

Thank You for the gift of Jesus and help us to remember that Your love never changes, never fades.

Jesus, the Light of the World, as we celebrate your birth, may we begin to see the world in the light of understanding you give us. As you chose the lowly, the outcasts, and the poor to receive the greatest news the world had ever known, so may we worship you in humility of heart. May we remember those we hold dear and our brothers and sisters less fortunate than ourselves in this season of giving. Amen.”
